ACCREDITATION

I am a UKCP registered Psychotherapist

AGREEMENT TO WORK

After the initial session, if you wish to go ahead, I recommend 6 sessions at weekly intervals with a review at the end of the sixth session. At that point we will discuss whether we both feel there is a value in continuing. If we decide to go ahead, we will establish a regular weekly session and from then on that time is yours. Regularity and continuity are important in good therapy.

CONFIDENTIALITY

All information is treated as confidential. Although I do discuss my work with a supervisor, I do not disclose the identity of my clients. If I felt a client was a danger either to themselves or to others I do reserve the right to inform outside agencies but would not do so without, wherever possible, informing the client first.

FEES

The charge for a fifty-minute session is £48. Fees are reviewed annually in January.

CANCELLATIONS

If you need to cancel a session I will try and provide an alternative time. If we are not able to find a mutually convenient time I will charge a cancellation fee. If you give me more than 24 hours notice I will charge 50%; if less than 24 hours the full fee is due. This applies to holidays, illnesses etc.

ENDING

I recommend that we decide jointly how long we work together. If either of us feels the time has come to finish we will discuss whether this choice is really in your best interests. Duration of therapy varies but if you want to make significant changes in your life it will take time.
